

Friday Mixed Couples 9-hole Golf League

The Wednesday Evening League plays the fourth Friday of the months from April through August. The league is open to male and female golfers 18 and older. Sign-up is via a doodle poll distributed about 2 weeks prior to the event. Call or email one of the league coordinators to be added to the distribution list.

Play begins with a 4:30 pm shotgun.

A participation fee of \$5 per couple each week goes to the prize fund, which is distributed in Pro Shop credits based on team net scores. Players are required to have a USGA handicap but do not need to hold an annual LMOA Golf Contract. Non-contract players are responsible for all daily golf fees applicable for the round.

The format is a 2 person team of one female and one male playing alternate shot or scramble. Awards are given to the top teams for the week and closest to the pin on #3. We play the front nine each week. This league offers an opportunity to practice and strategize for the Club Couples championships held in September.
