

## Lake Monticello Sr. Men's Travelers

The Lake Monticello Sr. Men's Travelers is a group of 55 and older golfers that play in interclub matches with other Central Virginia clubs between April and October.

All Lake Monticello golf contract holders in good standing are welcome to participate. We presently play home and away matches with Birdwood, Glenmore, Greene Hills, Keswick, Stoney Creek and Waynesboro, but this can change from year to year. Our six or so home matches are on held on Thursdays to run concurrently with the Gray Foxes events and an equal number of away matches are held on other weekdays.

The annual entrance fee is just \$5 but we also pay \$25 to about \$35 each match to cover lunch at our club or the other host clubs. Team shirts with the travel team logo are purchased from time to time as well. We update the roster annually and all contract holders are welcome to join. Depending on the club, we normally need 16 to 20 players to "suit up" for a match – we try to maintain balance so that everyone gets a fair amount of play.
