

Lake Monticello Sr. Men's Travel Team

The Lake Monticello Sr. Men's Travel Team consists of men 55 and older who are contract holders at Lake Monticello. The team plays interclub matches against other Central Virginia clubs in the summer months from April through October.

All Lake Monticello golf contract holders are eligible and welcome to participate as travel team members. We presently play home and away matches with Birdwood, Farmington, Glenmore, Greene Hills, Old Trail, Stoney Creek and Waynesboro. Our seven home matches are on held on Thursdays and run concurrently with the Gray Foxes events; an equal number of away matches are held mostly on other weekdays. The annual team fee is just \$5 but we also pay \$25-\$30 for home matches, and \$35-\$40 for away matches; the additional fees cover lunch at our club and lunch and cart fees at the other host clubs. Depending on the club, we normally need 16 to 20 players to "suit up" for a match – we try to maintain balance so that everyone gets a fair amount of play.

We always "look good" for play with matching team shirts that include the famous Lake Monticello logo. Signups for play are normally in late winter, but we remain open to new arrivals.

If interested in joining our travel team, see the contact information below for more information, or ask at the pro shop.
