

## Monday Evening Golf League

The Monday Evening League plays each Monday beginning in mid-April and concluding in early October (except for holidays).

Play begins with a 4:00 PM shotgun weekly

League participation fee - \$2 per person per week goes to the prize fund, which is distributed each week as Pro Shop credits based on gross and net scores. Players are not required to hold a LMOA golf contract. Non-contract players are responsible for all daily golf fees applicable for the round of golf.

League description: A 9-hole Captain's Choice format for both couples and single players, male or female, any skill level. A fun, informal, and sociable evening is the objective. Players voluntarily meet afterwards for dinner at the golf course eating establishment. We play the front nine for ½ the season, then switch to the back nine for the other half. Once a month, we play a special game in addition to Captain's Choice.
