

## 2018 Tuesday Evening Golf League – Session 1

**Entry Fee:** \$20.00 per player, includes awards for regular season, closest to pin, and beer keg on final night. Teams may be composed of 2 or 3 players. If you register as a single you will be paired with another single.

**Deadline:** April 1st or the first 18 teams received.

**Starting time:** Play will be on Tuesdays starting April 10<sup>th</sup> and run through June 12<sup>th</sup>, for a total of 10 weeks. The starting time will be 5:30 pm. Please plan to arrive early enough to pay the 9-hole fee and to be ready to play 5 minutes before the starting time.

**Format:** Two members of a team will play two from another in a match using the difference of their course handicap. The lowest handicap player of one team plays the lowest handicap player of the opposing team. The other player of each team also competes in an individual match. Each individual match is worth 2 points for a total of 4 points awarded in the individual matches.

Players also compete in a team match worth 2 points. An aggregate “team” handicap for each team is calculated by adding the handicap of each player together. The team handicap is used to distribute strokes in the same manner as individual match play. (Note: this is not the sum of each player’s handicap for each hole, the team’s aggregate handicap is used). Each team will total the scores from the two players to get a team gross score for the hole and subtract any team handicap strokes.

The individual/team with the lowest net score wins the hole. After nine holes 2 points are awarded to the individual/team that wins the most holes. In the event of a tie one point is given to each individual/team. The team with the highest point total for all matches (individual and team) at the end of the session wins the championship.
